aged rights advocacy service inc.

**Aged Rights Advocacy
Service Inc.**

proudly presents its

12th WEAAD Conference

with the theme:

Elder Abuse: from Prevention to Intervention

Very little research has been done on intervention and prevention strategies that produce the most effective and efficient outcome for the older person. This conference will inform delegates about the strategies developed and used by professionals in a variety of fields, such as in the legal system and in the aged care and community sectors.
